In conjunction with Singapore's golden jubilee and to mark the start of the academic year, 6-member K-pop girl group **Dal Shabet** (Serri, Ah Young, Jiyul, Woohee, GaEun and Subin) will be in town to perform at Nanyang Technological University's **NTU Fest 2015!**

NTU Fest is a student-run initiative, with the goal to unify the student population for a worthy cause. The NTU Fest concert is one of the major highlights of the event, where various artistes including local and international artistes will perform onstage in an

exclusive celebratory concert.

Last year's NTU Fest 2014 attracted a massive crowd, with Gary (hip-hop duo Leessang, **Running Man**) and singer Jung-in as guests for the successful event. This year's concert will be held in the evening and hosted by 987FM radio DJ duo Gerald Koh and Joakim Gomez.

Aside from that, MediaCorp artistes including the cast of Channel 8 drama **Sealed With A Kiss: Elvin Ng, Rebecca Lim**, together with up and coming young actors **Shane Pow and Jeffrey Xu** will also be in attendance. In addition, the cast members of Channel 5's new drama series **Tanglin: Nathaniel Ho, Eswari Gunasagar and Elfaeza Ul Haq** will be special guests at the event as well.
