Right on target

A record 208 archers took part in the 10th Institutional Archery Competition at the Nanyang Technological University (NTU) sports and recreation centre over the weekend. Organised by the NTU Archery Club, the number of participants this year is a 20 per cent increase from the inaugural edition in 2009. Among the winners was national archer Keller Chai, who won the women’s Recurve Open (70m) event.
