OCBC to provide skill training to 330 retail wealth advisers

Global Banking News

31 July 2018

OCBC Bank has said that it is to provide training to more than 330 retail banking wealth advisers.

The advisers are to be provided with skills in private banking. The move is to be completed in partnership with the Wealth Management Institute (WMI) of Nanyang Technological University, Singapore.

The bank said, 'Such competencies are a dimension beyond the more product-centric approach towards financial planning that is adopted by many retail banking wealth advisers.'
