

NMRC MAY '08 GRANT CALL ROADSHOWS

Clinicians and researchers who intend to submit applications for the combined BMRC/NMRC grant call are invited to roadshows by National Medical Research Council (NMRC) to announce changes to the NMRC grant policies. There will be a presentation by NMRC Executive Director Dr Edwin Low followed by Q&As.

Topics that will be covered include:

- Changes to NMRC grant application
- Update on talent development awards
- Feedback to applicants - Grantsmanship and other issues
- Q&A
