Objectives: The goal of the CIS 2006 is to bring together experts from the field of cybernetics and intelligent systems to discuss on the state-of-the-art and to present new research findings and perspectives of future developments with respect to the conference themes. The CIS 2006 is organized by the IEEE SMC Singapore Chapter, and is held together with the IEEE International Conference on Robotics, Automation and Mechatronics (RAM 2006). The conference welcomes paper submissions from researchers, practitioners, and students worldwide in but not limited to the following areas:

Invited Sessions: The conferences will feature invited sessions on specialized topics of interests. The invited sessions are intended to usher in in-depth discussions in special areas relevant to the conference themes. The session organizers will coordinate the associated review process. All accepted papers from the invited sessions will be included in the conference proceedings. For instructions on organizing an invited session, please go to [http://www.ntu.edu.sg/cis-ram/callsessions.htm](http://www.ntu.edu.sg/cis-ram/callsessions.htm).

Paper Submission: Deadline for initial submission is 15 January 2006 and final submission of camera ready manuscript is 1 April 2006. Papers must be written in English and should describe original research work. The length of initial paper submission is limited to 6 pages, and up to 8 pages maximum, including figures, tables and references. The paper must be in US Letter size, two column format, single spacing and in Times-Roman font of size 10. Paper should be submitted on-line in IEEE Xplore compliant PDF file format. For detailed instructions on paper submissions, please go to [http://www.ntu.edu.sg/cis-ram/callpapers.htm](http://www.ntu.edu.sg/cis-ram/callpapers.htm). Upon acceptance, the authors are required to register and present their papers in the conference. Papers will only be published in the conference proceedings if at least one of the authors is officially registered. The conference proceedings will be included in the EI Compendex Database.

Best Paper Award: Selection of the best paper will be made at the Conference based on both the technical content and presentation. The winner will be chosen by an Awards Committee in consultation with the International Advisory Committee.
