About Nanyang Business School

Nanyang Business School (NBS) is the only business school in Singapore and the third in Asia to be awarded the European Quality Improvement System (EQUIS) accreditation and Association to Advance Collegiate Schools of Business (AACSB) accreditation for commitment to quality in the international marketplace for management education.

The Economist Intelligence Unit (EIU) has ranked NBS among the top 100 MBA schools in the world for the 2nd consecutive year in 2005, among the top 5 in Asia and No. 1 in Southeast Asia.

About School of Computer Engineering

School of Computer Engineering (SCE) was established in 1988 to provide a broad-based foundation for students with global aspirations of a rewarding career in computing. Its state-of-the-art research centres and laboratories provide the optimum environment for cultivating future computer engineers, network designers, animation specialists and more.

In 2005, SCE students took home several international awards from competitions such as Microsoft Imagine Cup World Finals, the ACM International Collegiate Programming Contest and Google’s India Code Jam Programming Contest.

For more information about the programme, please visit
