A Night Of Excitement at Igor’s The Main Event

.........an event organized by NTU EEE Alumni Association 8th Committee

20th March 2004 Program Run-Down:
- Opening of Demons’ Chamber
- Admission of ‘Victims’
- Demons’ Dungeon Tour
- Show Introduction
- Serving of Appetizer and Main Course
- Musical Act 1
- Serving of Deserts
- Musical Act 2 (continuation)
- End of Show
- Finale: Party till wee hours!

With the setting sun, dropped from the zenith, like a falling star, the spirits of the event participants (NTU EEE students, staff and alumni) rose with anticipation. This was the time the door to the Demons’ Chamber opens. Want to join the Demons’ party? All are to experience the horrifying tour through the 6,000 sq ft dungeon maze!

Let the awesome party begin...

Tip to survive the breathtaking night: Rule of the Thumb, is to listen and follow everything the demons say! Before food, make sure you cheer and make as much noise with your utensils as possible. During the show when you are told to dance along, you had better!

Despite all these tortures, we had a mouth-watering feast. Not to worry, it’s nothing close to eating fried hairy-legged spiders, grilled skinned-frogs nor steamed human eyeballs… We had delicious Peranakan and Western cuisines! Also, we were “forced” to slug down a shot of “Sex on the Beach” cocktail, served in a creative and unusual manner. Not forgetting to mention that it’s ‘on the house’!

Besides the wonderful dinner experience and professional musical comedy "Interlude with a Vampire", all the EEE participants took the chance to mingle and get to know each other better. All in all, the night at Igor’s The Main Event was a memorable one!

Bowling Rendezvous 2004

The EEE club organized a bowling competition for its members and the alumni on 13 March, 2004 at the Hougang Superbowl. The guest of honor for the occasion was Mr Eric Lim from EEE Alumni Association.

The event started at about 3 pm and drew a very favorable response from the members and the alumni alike. The participants were given the freedom to form their own teams consisting of 4 people in each team. There was no cap on the number of teams allowed, which were formed at random. The event occupied 10 lanes in all and the procession of matches occurred simultaneously. The event lasted for about 3 hours and saw very tough competition among the teams. After numerous grueling rounds, only three individuals with the top 3 scores made it up to the podium. The team "Infinity" with the highest team scores also walked away with a gold trophy. The event was a huge success in gathering a crowd and fulfilled its purpose of serving as a platform for interaction between EEE members and alumni in a fun filled atmosphere.
