

Scholarships from Economic Development Board (EDB) co-sponsored by Texas Instruments (TI)

Requirement:

- For MEng/MSc courses conducted by NTU/TUM.

Scholarship Detail:

- 100% sponsorship of course fees and a fixed monthly stipend of \$2,500 for up to 2 years of candidature for each MEng/MSc student
- Upon completion of the course requirement for MEng/MSc the scholar is to be bonded to work with TI for 2 years

Who can apply

- Singaporeans or Singapore Permanent Residents (SPR)
- The scholarship may be offered to a person who is neither a Singaporean nor SPR if he/she agrees to fulfill service obligations stipulated by the Singapore Ministry of Education for three years with Singapore-incorporated companies upon graduation; and submit application for SPR status or Singapore citizenship within three (3) months from the date of graduation and obtain SPR status or Singapore citizenship within two (2) years from the date of graduation.

How to apply

- Please apply through the website <http://admissions.ntu.edu.sg/graduate/Research/Pages/default.aspx> and indicate **EDB/TUM/TI** on the top right hand corner of the form.
- Note that the **application timeline follows the NTU MEng/MSc application schedule**
- For further assistance, please contact Assoc Professor Ho (email: ehdjwong@ntu.edu.sg)
