

The 11th International Conference on Industrial Engineering and Engineering Management

Northeastern University, Shenyang, China

23 – 25 April 2005

<http://www.ieem2005.org/>

IEEM'2005 – *Industrial Engineering and Engineering Management in the Global Economy*

Organized by

Northeastern University (NEU),
Shenyang, China

Co-organizers

Hong Kong University of Science
& Technology (HKUST), Hong
Kong

Nanyang Technological University
(NTU), Singapore

International Journal of
Innovation and Technology
Management (IJITM)

Supported by

National Natural Science
Foundation of China (NSFC)

Institute of Industrial Engineers of
Hong Kong (HKIIE)

Sponsors

Industrial Engineering Institute,
Chinese Mechanical Engineering
Society (CMES)

Hong Kong University of Science
& Technology (HKUST), Hong
Kong

Conference Secretariat.

CALL FOR PAPERS

The 11th International Conference on Industrial Engineering and Engineering Management aims to provide a forum to disseminate, to all branches of the service and manufacturing industries, information on the most recent and relevant innovations, theories and practices in the Industrial Engineering and Engineering Management areas.

IEEM 2005 invites papers and proposals for special sessions/tracks, tutorials/workshops on, but not limited to, the following topics:

- Global Manufacturing and Management
- Product Development and Design
- Supply Chain Management/Logistics Engineering
- Total Quality Management and Quality Engineering
- Production Planning and Control
- Decision Analysis/Decision Theory and Method
- Manufacturing Systems/ Manufacturing Theory and Methodology
- Service Engineering and Management/Service Operations Management
- System Modeling and Simulation
- Computer-Aided Design and Intelligent Manufacturing
- Facilities Planning, Location Design and Material Handling
- AI Applications in Industrial Engineering and Management
- Engineering Economy and Cost Management
- Applied Operations Research/Operations Research and Application
- Organization and Management
- Maintenance Engineering and Management
- Industrial Ergonomics/Human Factors and Safety
- Web-based Applications, E-Business and E-Commerce
- Engineering/Project Management
- Technology Management and Innovation
- Knowledge Management
- Customer/Supplier Relationship Management
- Ethics, Industrial Engineering Education and Training

Interested authors should submit papers in English to Conference Secretariat at qhama@mail.neu.edu.cn or [online submission site](#) by February 10, 2005. Notification of acceptance of papers will be e-mailed by February 28, 2005. Full papers in electronic format will be due by March 15, 2005. All papers will be reviewed by the Program Committee.

For proposal of special sessions or tutorials please write to the Conference Secretariat.
