**11 to 14 July, 2010, Harbin, China**

---

1 September, 2009

Dear Industrial Associates,

The 5<sup>th</sup> International Conference on Technological Advances of Thin Films & Surface Coatings (ThinFilms2010), in conjunction with the 1<sup>st</sup> International Conference on Advanced Polymer Matrix Composites (Compo2010), will take place from 11 to 14 July, 2010 in Harbin, China.

The biennial *Thin Films* conference started in 2002 with 70 papers and grew to 500 papers at “Thin Films 2006”, and to more than 800 papers at “Thin Films 2008”. This time we are expecting at least the same crowd, if not more, for the Thin Films conference. Besides, we have Compo2010 to take place under the same roof at the same place with an expectation of 150 papers. Thin Films 2010 will again bring together state-of-the-art developments on all aspects related to the processing, characterization and applications of thin films and surface coatings.

We believe that this is a good opportunity to showcase your latest processing and characterization equipment or apparatus to the researchers/speakers in this region and from the rest of the world. We thus invite you to participate in this exciting materials event in Singapore. Various sponsorship packages have been designed to suit your needs for maximum impact at this event. To sign up for the conference exhibition or for more information, please contact Dr. Guojun Qi: Singapore Institute of Manufacturing Technology Tel. 67938520; Email: [gjqi@SIMTech.a-star.edu.sg](mailto:gjq@SIMTech.a-star.edu.sg).

Looking forward to your active participation, like before!

Yours truly,

Professor Sam Zhang  
Chairman, Thin Films 2010

**SPONSORSHIP & EXHIBITION PACKAGES****Diamond Sponsor (S\$30,000 & above)**

- Company Logo (large) acknowledgement on:
  - Covers of Technical Program
  - Covers of Symposium Proceedings
  - Conference backdrop in the main ballroom
  - Conference website and linkage to company website
  - Final Announcement
- One-page company advertisement in Technical Program
- Provision to include company's brochures into conference kit
- One conference exhibition booth free of charge
- Ten (10) complimentary conference registrations
- Two (2) complimentary tickets to conference banquet
- Invitation to address the banquet

**Gold Sponsor (S\$20,000 & above)**

- Company Logo (medium) acknowledgement on:
  - Covers of Technical Program
  - Covers of Symposium Proceedings
  - Conference backdrop in the main ballroom
  - Conference website and linkage to company website
  - Final Announcement
- Provision to include company's brochures into conference kit
- One conference exhibition booth free of charge
- Ten (5) complimentary conference registrations
- Two (2) complimentary tickets to conference banquet
