HEALTH AND WELLNESS
At NTU, we believe in enriching both the mind and body. Our University Health Service Building houses a medical clinic, dental clinic and a Student Wellbeing Centre, and is easily accessible on foot or by campus shuttle bus.

Dental services are available at the University Health Service Building
IT SERVICES
Each student is given an email account and generous collaboration storage space. They can purchase laptops and smart devices at competitive prices. They are also able to access to high-performance computing facilities, including that of National Supercomputing Centre Singapore (NSCC) for research and project work purposes.

These learning systems and services include:

- **iNTU** – A one-stop gateway for students to connect with the University’s community, e-resources and e-services.
- **i-NTULearn** – A learning ecosystem that makes learning more engaging both within and beyond the classroom.
- **Turnitin** – A plagiarism checker that improves academic writing skills.
- **Learning Activity Management System (LAMS)** – A learning activities platform that fosters peer learning, collaboration and reinforcement of concepts.
- **Learner Response System** – A system that facilitates and encourages students’ participation in lectures or large group presentations using a hand-held “Clicker” device or mobile apps that collate and display instant polling/feedback results with graphical charts.
- **Technology-enhanced learning (TEL) courses** – Courses that leverage technology and pedagogical learning activities using flipped classrooms, blended learning, team-based learning and self-directed learning to provide better opportunities for students to achieve the desired learning outcomes.

WHEN THE WORLD IS YOUR CLASSROOM, EVERYTHING IS POSSIBLE

Grab the opportunity to learn, work and do research at some of the best universities by tapping into NTU’s network of over 400 partner institutions around the world. Develop global perspectives and broaden your learning through the following overseas immersion programmes offered by the Office of Global Education and Mobility (OGEM).

GEM DISCOVERER
Embark on four high-quality learning programmes that will place you globally for business and cultural executive programmes, language training, summer studies and overseas internships. You will earn academic units upon successful completion.

Prelude
A visionary two- to four-week programme, Prelude provides first-hand insights into key emerging markets in Asia and beyond. You’ll go on learning journeys beyond the classroom with visits to significant cultural sites in exciting destinations such as Thailand, China and South America.

Language Immersion Programme
Learn a new language while immersing in the culture of your host country through this cross-cultural communication programme. Exciting choices – from Japanese, Korean, French, to German and more – await you.

Summer Studies
This programme will take you to some of the world’s most prestigious universities such as Seoul National University, London School of Economics, University of California and more during your summer vacation.

Work & Study
Designed in collaboration with the Career Attachment Office, this semester-long programme offers you an overseas internship in fast-growing economies with studies at a leading partner university.

For more information, visit www.ntu.edu.sg/GEM-Discoverer.

GEM EXPLORER
Undergraduates get the opportunity to attend courses at an overseas partner university for a full semester while exploring a new country and culture. You can also go on a special, partially-funded semester study programme with Georgia Institute of Technology. Take the chance to broaden your global network and perspective, whilst you earn academic units.

Study
Expand your horizons by taking courses at one of over 350 partner universities spanning almost 45 countries. A world of adventure awaits you.

Research
Take on challenging research opportunities through a semester-long attachment with top-notch scientists and researchers at prestigious universities in Europe or Asia.

For more information, visit www.ntu.edu.sg/GEM-Explorer.

THE RIGHT START TO YOUR DREAM CAREER

CAREER & ATTACHMENT OFFICE
With excellent connections to more than 3,000 global and local industry partners, including multinational companies, top banks, home-grown companies and government agencies, NTU’s Career & Attachment Office’s (CAO) is here to equip graduates with essential employability skills.

Our team of professional career coaches, consultants, trainers and officers are dedicated to helping you achieve success. You can look forward to a full suite of career programmes and events, including career workshops, career coaching, industry and recruitment talks, networking events, internship fairs, career fairs and a one-stop career portal called NTU NextGen Careers. We also have a robust network of alumni-mentors who are keen to interact and guide you in your learning journey.

CAO connects you to quality internship placement programmes that help you gain relevant work experiences. Every year, close to 4,600 students get placed in about 1,600 organisations, both locally and overseas, as part of their credit-bearing internship programmes.

MARGARET LIEN CENTRE FOR PROFESSIONAL SUCCESS
The Margaret Lien Centre for Professional Success (MLCPS) runs two mandatory credit-bearing online career preparatory courses to arm our undergraduates with future-ready skills for the workplace.

The courses aim to equip you with essential career skills such as resume writing, interview skills and personal grooming, and also inculcate in you networking skills and professional work ethics so that you can shine at in your internships, careers and community.

With the support, guidance and resources provided by CAO to complement your NTU education, you will have a head start towards your career success.

Find out more about our career services and internship opportunities at www.ntu.edu.sg/cao.
The URECA programme is an individualised research programme that empowers undergraduates to pursue their niche areas of interest under the close supervision of world-class mentors. My research experience in NTU has been particularly fulfilling as URECA has helped to nurture and sharpen my critical-thinking, problem-solving and collaborative learning skills. It also offers a good glimpse into the challenges of postgraduate studies.

APPLICATION OUTCOME

A

Applicants with good passes in 3 ‘A’ Level subjects may also apply, but will be considered on a case-by-case basis. Actual ‘A’ level results need to be submitted within 3 days after release for final decision.

Applicants whose actual/final results are released after April 2018 (e.g. IB applicants whose actual IB Diploma results are released in July 2018) are ineligible to apply for Medicine for Academic Year 2018 intake. MBBS programme has very limited places and entry is highly competitive. Hence, we accord priority to applicants who have not previously pursued undergraduate studies. Applications for those who have started, are pursuing, or have completed an undergraduate programme at any university are generally not considered. We do not accept applications for transfer to the MBBS programme.

Please visit [www.ntu.edu.sg/intnladmissions](http://www.ntu.edu.sg/intnladmissions) for English language requirements on SAT Reasoning Test/ACT/TOEFL/IELTS/PTE Academic.

APPLICATION PROCEDURE

Applications have to be submitted online at [www.ntu.edu.sg/intnladmissions](http://www.ntu.edu.sg/intnladmissions).

SUPPORTING DOCUMENTS

The list of supporting documents required for application can be found on the application website above. No translation is required if supporting documents are in Chinese or Malay or Bahasa Indonesian language. If you are applying for the Medicine or Art, Design & Media programmes, please refer to the minimum subject requirements from page 9 to 11 for details on the additional documents you need to submit.

There are two modes to submit your documents (Please use only one mode):

a) Scan documents in full colour and upload online to the ‘Checklist’ via ‘Check Status’ link
b) Print checklist and send supporting documents together with the bank draft (where applicable) to the Office of Admissions and Financial Aid by post or hand delivery.

SCHOLARSHIP APPLICATION

Applicants who wish to apply for scholarships should apply at the same application portal after submitting the application for admission. Same application deadlines as shown in the above table applies to scholarship applications.

APPLICATION FEE

Application fee is non-refundable and non-transferable under all circumstances. The following payment modes are available:

- Bank draft: S$30 or US$30 (inclusive of S$10 or US$10 handling charge)
