

Administrative Information

1. CONDITIONS OF ADMISSION

The offer of a place in Nanyang Technological University (NTU) is made to you subject to the following conditions:

- (a) The University is satisfied that your physical and mental health are good and that you are free from any diseases, illness and/or any other medical condition and, certified fit to study by the examining doctor.
- (b) The information you have given in your application form is accurate and you have not withheld material information from the University.

2. ACTIVATE COMPUTER ACCOUNTS

Your NTU [network account and Office 365 EDU account](#) will be activated 1 working day after you have selected your network account username via the [NTU online acceptance form](#). Please read the information carefully and acknowledge that you have read the [NTU IT Rules for Student User Accounts](#) via the NTU online acceptance form.

As all NTU official emails will be sent to your Office 365 EDU email box, please ensure that you check this email box regularly.

NTU provides a campus license of [anti-virus software](#) that you may install on your personal computer.

Please check [here](#) for more details on your accounts, passwords, getting started and important information on using IT services in NTU.

This credit card-size [IT Handy Guide for Students \(PDF\)](#) is for your convenient reference.

Important Notes on the use of password:

- (a) The initial password for your network account and Office 365 EDU account is your matriculation number (with all alphabets in upper-case).
- (b) The passwords for these 2 accounts are not related, so changing one password will have no effect on the other. Hence, you need to change the password for these 2 accounts separately.
- (c) Please do not share your password with anyone, including NTU Service Desk staff when you seek help on IT-related matters.
- (d) You must [change your network account password](#) before accessing any e-services. You will only be able to access StudentLINK services **after** you have [matriculated](#) online.

3. SUBMISSION OF PHOTOGRAPH AND ONLINE DECLARATION

You are required to submit your photograph online before you can proceed with the online declaration. Please refer to the photo specifications stated [here](#). The photo is for NTU to print your matriculation card. Hence, please submit by the prescribed timeline. Otherwise, you will be issued your matriculation card only after the scheduled collection period.

Please complete the [online photo submission and declaration](#) by **17 March 2017**.

4. iNTU

iNTU is a one-stop user-centric Intranet portal for NTU community (students, staff and faculty). It enables students to access to the University's vast information and services: academic & curriculum e-services, eLearning, Library resources, email and important news and announcements.

iNTU is accessible at <https://intu.ntu.edu.sg>.

5. STUDENTLINK

StudentLINK within iNTU Portal, serves as a link between students and the University's administrative offices. Through StudentLINK, students can update their particulars, register for courses and check examination timetables and results.

Please update your mobile phone number in your personal particulars. Your mobile phone number can be used for [self-service reset of network account password](#).

6. CHANGE OF PERSONAL PARTICULARS

You are required to provide an address in Singapore as your postal address during term time. The University cannot accept responsibility for lost or misdirected correspondence when the correct contact information has not been updated by students.

Students are responsible for keeping their personal particulars updated in the University's records in a timely manner. Students should update any changes in their address or contacts electronically through StudentLINK.

For procedures on changes of student particulars, please click [here](#).

7. LEAVE OF ABSENCE, AND WITHDRAWAL FROM UNIVERSITY

Please click [here](#) for more details.

8. CODE OF CONDUCT

Please refer to <http://www.ntu.edu.sg/Freshmen/CodeofConduct/Pages/Student-Code-of-Conduct.aspx>.

9. UNDERGRADUATE CONCESSION CARD

The concession cards are issued by TransitLink on behalf of Land Transport Authority. Holders of these cards are entitled to concessionary travel on SBS Transit and SMRT bus services (except for Express, Jurong Island and Night services) and in the rail system.

If you are interested to apply for the undergraduate concession card, you may approach any TransitLink Card Replacement Office from **2 May 2017**. The list of card replacement offices and their operation hours are available at <http://www.transitlink.com.sg>.

On the day of application, students are to bring along the NRIC. The concession card could be collected on the spot upon payment of \$18.00.

As a reference, more information on the procedures of an application of Undergraduate Concession Card can be found at <http://www.ntu.edu.sg/SAO/OurServices/Pages/EZ-LinkConcessionCard.aspx>.

10. MEMBERSHIP OF STUDENTS' UNION

As a matriculated, full-time undergraduate student of the University, you are automatically a member of the NTU Students' Union and the academic constituent club relevant to your School. In addition, you are eligible to be a member of the Cultural Activities Club, Sports Club and Welfare Services Club.

11. OPTION FOR ACADEMIC CONSTITUENT CLUB (FOR FIRST YEAR ENGINEERING STUDENTS AND RENAISSANCE ENGINEERING STUDENTS ONLY)

Category 1

All matriculated, full-time undergraduate students of the University are members of the constituent body relevant to the school in which they are matriculated.

First Year Engineering students who are attending common courses and Renaissance Engineering Programme students do not belong to any specific engineering school at NTU. You are therefore required to indicate your preference as to which of the following constituent bodies you would like to be a member of at NTU.

First Year Engineering Students may opt for one of the following Clubs:

- a. Civil & Environmental Engineering Club (CEE Club)
- b. Electrical & Electronic Engineering Club (EEE Club)
- c. Mechanical & Aerospace Engineering Club (MAE Club)

Renaissance Engineering Programme (REP) Students may opt for one of the following Clubs :

- a. Civil & Environmental Engineering Club (CEE Club)
- b. Electrical & Electronic Engineering Club (EEE Club)
- c. Mechanical & Aerospace Engineering Club (MAE Club)
- d. Chemical & Biomedical Engineering Club (CBE Club)
- e. Computer Engineering Club (CE Club)
- f. Materials Science & Engineering Club (MSE Club)

You are required to make your option by **11 August 2017**. Option can be made electronically through StudentLINK.

Please note that the constituent club you have opted for might not necessarily be the school you will be streamed to in your second year (for those attending common courses) or third year (for those taking REP) at NTU.

Category 2

Students who are offered the following degree programmes are automatically members of the constituent body relevant to the school in which the degree programme is offered:

Degree Programme	Club
Civil Engineering	Civil & Environmental Engineering Club (CEE Club)
Environmental Engineering	
Maritime Studies	
Electrical & Electronic Engineering	Electrical & Electronic Engineering Club (EEE Club)
Information Engineering & Media	
Aerospace Engineering	Mechanical & Aerospace Engineering Club (MAE Club)
Mechanical Engineering	
Bioengineering	Chemical & Biomedical Engineering Club (CBE Club)
Chemical & Biomolecular Engineering	
Computer Engineering	Computer Engineering Club (CE Club)
Computer Science	
Materials Engineering	Materials Science & Engineering Club (MSE Club)

No option is needed to be made for this category of students.

Health and Insurance

12. HEALTH SCREENING

All students must undergo a health screening prior to admission to determine their medical fitness to pursue the programme of study in the University.

Students can complete the health screening at:

- any registered physician in Singapore or
- at the NTU Medical Centre @ University Health Service Building on **18 April 2017**.

The completed [Health Screening Form \(MC1\)](#) and X-ray report should be submitted personally by hand to the NTU Medical Centre as reports sent by mail might be lost in the process by 21 April 2017.

FOR STUDENTS TAKING BIOMEDICAL SCIENCES AND CHINESE MEDICINE PROGRAMME

On top of the MC1 Form, please get the physician to complete the [MC1B form](#) for the Hepatitis B screening blood test.

FOR STUDENTS TAKING SPORT SCIENCE AND MANAGEMENT PROGRAMME

On top of the MC1 Form, please use the [MC1A form](#) for the physician to complete at the point of health screening. The completed form has to be retained by the student.

For students who intend to complete the health screening at NTU Medical Centre

Booking of Health Screening Appointment

The health screening appointment can be booked [online](#) at from now to 16 April 2017. Please log in using your application number and birth date. Once you have confirmed your health screening appointment, please **print** the confirmation letter and present it to the staff at the Medical Centre in NTU.

Changes to your appointment can be made as long as it is done **at least 3 days** prior to your confirmed health screening appointment. If you wish to change your appointment that you have booked earlier, please [login](#) using your application number and birth date. Please **print** the confirmation letter and present it to the staff at the Medical Centre in NTU.

If you are unable to come for your health screening due to unforeseen circumstances or unable to change the appointment online, please call the Medical Centre directly at 6793 6974 or 6793 6828 for further assistance.

Before you come for the health screening, please print the [Health Screening Form \(MC1\)](#) on both sides of paper. **Complete** Part I of the Form and hand it to the Medical Centre at the time of your health screening. You should do your Chest X-ray only after the physical examination of your health screening.

The health screening fee is S\$35 (inclusive of prevailing GST). For students pursuing the double degree programme in Biomedical Sciences and Chinese Medicine, the fee is S\$55 (inclusive of prevailing GST) which includes the fee for the compulsory Hepatitis B screening blood test.

Special medical conditions to note:

Hepatitis B – Students with this condition are not eligible for the double degree programme in Biomedical Sciences and Chinese Medicine from the School of Biological Sciences.

Partial Colour Blindness – Students are eligible for engineering programmes only when they are able to correctly identify red and green wires. Students are however, not eligible for the double degree programme in Biomedical Sciences & Chinese Medicine when they are colour blind, whether complete or partial, and regardless of whether they can correctly identify red and green.

Unless you hear from us to the contrary, you may assume that your medical report is in order.
