[^] The programme is also offered as a single degree programme with a Minor in Business.

[@] Students who are undecided on their Engineering major may opt for Engineering (i.e. Common Engineering) at the point of application. All Common Engineering students will read a semester of engineering studies after which they will be streamed into either Civil Engineering, Electrical and Electronic Engineering, Environmental Engineering, Materials engineering or Mechanical Engineering at the end of Year 1, Semester 1. In all cases, admissions and streaming into an engineering major are merit-based.

+ H1 Level/'O' Level pass in Physics/equivalent is only applicable to applicants who have not read Physics at H2.
