Similarly, by choosing ‘Bioengineering’, one will also be considered for ‘Bioengineering with a Minor in Business’. Applicants need not and will not be provided the option to choose both.

6. If you choose Art, Design & Media as one of your choices, please take note of the additional supporting documents that you need to submit.

7. Please note that Arts (Education) and Science (Education) are teacher training programmes. Successful applicants will be bonded to serve the Singapore Ministry of Education for 4 years.
