STATUTE CE2

DEGREE OF MASTER OF APPLIED SCIENCE

Part I: Admission

1. For admission as a candidate for the degree of Master of Applied Science, a person must either -

   (a) be a graduate of this University or such graduate of another university as the Academic Board may approve and must have obtained a degree with honours and must submit evidence of adequate training and ability to undertake the proposed course; or

   (b) possess such other qualifications and experience as the Academic Board may approve.

Part II: Degree by thesis

2. Candidates proceeding to the degree of Master of Applied Science solely by thesis are governed by clauses 6 - 14 of the Degrees of Master Statute (Statute 18).

Part III: Course work and dissertation

3. Candidates proceeding to the degree of Master of Applied Science by course work and dissertation are governed by this Part of this Statute.

4. The minimum period of candidature is twelve months and the maximum period of candidature is thirty-six months. The period of candidature shall commence at the beginning of an academic year.

5. (1) During his candidature, a candidate must -

   (a) within the first twelve months, pursue such courses of study as may be approved by the Board of Graduate Studies on the recommendation of the Dean of the School of Computer Engineering;

   (b) pass an examination in such courses of study; and

   (c) submit a dissertation on a topic of research approved by the Board of Graduate Studies.

   (2) The dissertation may be submitted at any time after the candidate has passed the written examination, provided that this is done within thirty-six months of his admission as a candidate for the degree.
6. The syllabuses and number of courses and the nature of the written examination shall be prescribed by Regulations made by the Board of Graduate Studies on the advice of the School of Computer Engineering.

7. Each candidate will be supervised in relation to his dissertation by a teacher or teachers, or a teacher and any other person jointly, appointed by the Board of Graduate Studies and may be required by his supervisor to attend lectures, classes and practical work in the University in addition to the courses prescribed under clause 6 of this Statute.

8. Copies of the dissertation must be submitted in accordance with the provisions prescribed in clause 10 of the Degrees of Master Statute (Statute 18).

9. The dissertation will be examined in the same manner as in the case of a thesis submitted for a Master's degree.

10. The results of the written examination and the dissertation will be submitted to the Board of Graduate Studies and the Board may pass or fail a candidate or require him to be further examined in such manner as it thinks fit or refer him for further work.
