**Application with Roommate**

Freshman or Direct Entry Sophomore (DES) who chooses to stay with a senior (must be siblings of the same sex) will be allocated to the choice of Hall and room indicated by the senior. The senior would have already submitted an application and if successful, will be informed of the hall and room allocated. The freshman or DES will make an online application indicating the Hall his/her sibling is offered.

Choosing to stay with a freshman or DES who is already staying in a Hall of Residence because of the Special Term is not possible due to the different application periods.

**Current Hall Rental Rates**

The hall rental rates on per-person-per-month basis (subject to revision in subsequent years) for Academic Year 2016/17 ranges from S$245 – S$425 for a single room or a twin-sharing room. Students are advised to check their NTU student email account for billing of accommodation fees and are encouraged to pay the accommodation fees through GIRO, a system of direct debiting and crediting of bank accounts. It provides the added convenience of not having to make a trip to One Stop@SAC as well as avoiding late charges as deduction of fees will be done automatically.

Halls 3, 8 to 16 and some rooms at Crescent House and Pioneer House are fitted with air-conditioners. To use the air-conditioners, residents may purchase a zero-value Pre-Paid Card (PPC) from their Hall Office. The PPC may be topped up with stored value at any of the top-up kiosks located at these Halls.
