SINGAPORE INTERNATIONAL WATER WEEK 2021

THE GLOBAL PLATFORM TO SHARE AND CO-CREATE INNOVATIVE WATER SOLUTIONS

SIWW2021 SPOTLIGHT

21 June 2021

SIWW2021 ONLINE

21 June – 2 July 2021

Thematic Webinar (TW.7) - A Career in the Water Profession

24 June 2021 (Thursday) | 2.00PM to 3.30PM Singapore time (GMT+8)

Co-Organiser: Environmental Engineering Society of Singapore (EESS)

Targeted at youths and students, this webinar offers insights on exciting developments in the international water landscape, how the water sector is gearing up to meet challenges such as climate change to provide safe drinking water and sanitation, and demonstrates why this is an exciting time to work in the industry. Discover interesting career opportunities from our keynote speaker and panel of young water professionals as they share insights on the work they do, highlights of their career and offer advice to those who are interested in joining the profession.

"At PUB, we shape the future of Singapore's water story. Every day, my colleagues and I work hard to ensure delivery of good water, proper reclamation of used water and mitigation of flood risks. Against the backdrop of climate change, PUB is constantly on the move to pilot or implement innovative and cutting-edge solutions to transform our work more efficiently and sustainably to accomplish our mission. I welcome you to join my peers and I in this session to learn more about the exciting opportunities in the water sector."

- Phua Kian Ming, Planner, PUB

About the Singapore International Water Week

The Singapore International Water Week is the world's premier platform to share and co-create innovative urban water solutions. The biennial event connects stakeholders from the global value chain in the water industry to share best practices, policy developments in water and showcase the latest in technological innovations and tap business opportunities. Singapore International Water Week 2021 Online will take place as a fully virtual event from 21 June to 2 July 2021.
