Dear Students,

RED ALERT!!!

Having set a new record high, we will be hosting 15 Employers this time at the Tech-Banking Recruitment Forum 2021! Are you ready and excited to meet them?

Firstly, I would like to thank you for taking time over the weekend to sign-up for this event. After reviewing the registration data-to-date, I note that the registration for the (1) Forum does not match that of the (2) Virtual Mega Launch Breakout Rooms (by Employers).

I would like to strongly urge all of you to deposit your Resume via the [Forum Registration Form](#) if you have yet to do so as your information will be captured and shared with all 15 Employers. This provides you a distinct Job/Internship search advantage. For clarity, you may refer to the illustration below.

As the employers are looking forward to meeting you virtually to start their talent search for 2021/2022, do revisit your schedule and I look forward to your support for the Virtual Mega Launch!

Sharing with you a feedback from a student who has benefitted from my guidance:

"It has been a privilege to be mentored by Mr Jason Han as I work towards a career in banking & finance. Jason's wealth of experience & passion for finance has given rise to his structured & systematic approach to analyse key industry information & trends. Jason competently instils the same mindset/ approach in his mentees to holistically coach them to understand better & adeptly prepare for the rigours of the various rounds of candidate interviews.

I am sincerely grateful for Jason's invaluable dedication & hard work towards going the extra mile to provide me with vital guidance, motivation & support as I embark on my journey to secure employment in the finance industry. His mentorship & efforts were integral in my being able to secure an offer from UBS AG."
