

Weekly e-Blast

Career & Attachment Office

8 July 2021

“Your weekly dose of new graduate and internship opportunities from all hiring sectors.”

Dear Students,

With summer holidays nearly coming to an end, let's continue to discover how we can make your remaining time fruitful, regardless whether you are anticipating the start of a new term or embarking on your job search for an exciting career!

While our lives have understandably been thrown out of gear amid the uncertainty presented by the Covid-19, fret not as “every crisis also lies opportunities.” What then, have you been doing to leverage this situation and turn it in your favour? Build your confidence and equip yourself with industry knowledge by keeping abreast with current affairs and developments via reading broadly and habitually. Also, demonstrate your enthusiasm to embrace learning by taking time out to acquire new and emerging skills and move towards becoming more career-ready.

Among the many learning resources available, we strongly encourage you to check out **Twitter Flight School**, recently launched in collaboration with various IHLs including NTU. Explore everything you need to know about advertising with Twitter!

Twitter Flight School

A one-stop destination suited for anyone looking to craft a career in the digital landscape or upskill your digital capabilities, there is coursework for every level of expertise. Moreover, content are released in bite-sized courses that accommodates individual learning needs and learning pace! **What's more, earn the #TwitterFlightSchool Video Badge upon completion and you may have it added to your resume as well as LinkedIn profile.**
