Dear Students

September 2021 is a busy month for Professional Service firms. **Management Consulting** hiring is in the air.

### (1) Learning Resources

Visit [CareerSocius](#), a special platform that ALL NTU students are subscribed to. This eLearning platform gives you tips to tweak your resume and cover letter based on the wants of the MC firms. It also provides courses so that you may build up the necessary Business fundamentals (if you are a non-business student) for a career in consulting. And most importantly, there are framework and tips on handling case interviews.

Sign up for these free digital courses brought to you by CAO!

With Covid-19 re-shaping the way interviews are conducted and potentially how case presentations are delivered, check out this [article](#) on Virtual Case Interviews that I thought useful as it outlines 7 tips to manage these online case interviews and presentations.

### (2) Circle of Consulting Enthusiasts (Intake 2)

The new intake's registration is now open until 10 Sep 2021. From our first intake in July 2021, we have successfully brought together 38 consulting enthusiasts, of whom 4 are graduates and currently in Management Consulting roles. By joining this Circle, not only are you able to network with existing members, get ready to connect and establish your case interview partners to start practising the cracking of cases!

For those keen to explore a career in Management Consulting, I strongly encourage you to be part of this Circle and if you are interested to join, simply click [here](#) to sign up.
