

[Tristar Aviation](#) is the best flying aviation school in Melbourne, Australia which provides a professional pilot pathway and most importantly, prioritizing safety. Geoff and Adrienne Fleming founded Tristar Aviation with one aircraft in 1993, with the goal to deliver aviation services that exceeded clients' expectations. Today, with more airplanes and a team of talented aviators working with Tristar Aviation, they have trained thousands of clients flying in one of the best cities in the world.
