Manufacturing Leadership Development Program (MLDP)

CALLING FUTURE MANUFACTURING LEADERS

The Manufacturing Leadership Development Program (MLDP) is our flagship global manufacturing graduate program. Our simple goal is to identify, hire, and develop our future Manufacturing Leaders. If you have the profile of being a MSD Manufacturing Leader, we are eager to engage with you, accelerate your development, and bring greater value to our patients worldwide.

If you would like to be part of the program, please apply [here](#) .
