Singapore Student Work Placement - Apply Now

Our Singapore Student Work Placement is for students interested in gaining work experience with a leading global bank. This placement is predominantly for students in their 1st and 2nd year looking to gain some work experience in the earlier years of university and to support with career decisions that come in 3rd and 4th year. The placement offers a great opportunity to develop your knowledge of banking and financial services, as well as help you build your professional network with colleagues around the world.

You can expect practical experience that will complement your academic studies, while developing your professional and personal skills and giving you a head start on your career. During the placement, you will be challenged to use your skills and academic knowledge to contribute to your team and to HSBC.

To be eligible to apply, you will need to:

- Be available to work full-time between **May 2024 and July 2024**
- Ideally first or second undergraduate students, although for some placements we will consider third and final year students as well
- Be an undergraduate student from a recognised Singapore University from any degree discipline
- Have the legal right to work in Singapore

Applications close on **29 February 2024**, but we encourage you to submit your application as soon as possible as we review applications and offer placements on a rolling basis.
