For December events, more details will be shared closer to the dates.

New Features on Careers@Gov Portal

We are also excited to announce that the public sector website ([Careers@Gov](#)) has recently been revamped to be more user-friendly, with lots of useful new features. For those of you who are considering jobs and internships in the public sector, here are 3 important features for you:

(1) Public Service Career Match

Still pondering over which agency and positions to apply for? Explore the Public Service Career Match function to learn more about the relevant employers, available job positions and potential sectors that may be of interest to you. In addition, you can also read articles featured within the employer's insights.

(2) Featured Employers

To familiarise with the nature of work, opportunities and challenges faced by the agencies and people working in respective agencies, hear directly from individuals in the various agencies! Discover the experiences of interns, fresh graduates and experienced individuals in the public sector to get valuable glimpses of the work that they engage in. Learn what keeps them motivated and inspired to make a difference in serving the public.
