# GRADUATE PROGRAMMES

## COURSEWORK PROGRAMMES

Coursework students will follow a prescribed programme consisting of several modules and undertake a project on which a dissertation is required. (For some programmes, the dissertation can be replaced with a few equivalent courses).

More information can be found on the admissions webpage:  
<http://admissions.ntu.edu.sg/graduate/coursework>

### Admission Requirements

- A good bachelor's degree or equivalent.
- For applicants whose medium of university instruction is not in English, a good TOEFL score taken within 2 years from the date of application is required.
- A good GMAT Score for Business / Accountancy programmes.

### How to apply

There are generally two major intakes a year, in January and August. To apply, please visit our website at <http://admissions.ntu.edu.sg/graduate/coursework>

### Scholarships and Financial Aids

NTU provides scholarships to candidates with outstanding academic results to pursue their higher degree studies by coursework on a full time basis. The scholarship generally covers tuition fees and includes a monthly stipend. Details can be found at <http://admissions.ntu.edu.sg/graduate/scholarships>

## RESEARCH PROGRAMMES

Research students will pursue research on an approved topic and submit regular progress reports to their supervisors. Students are required to complete three courses for Master's and six courses for PhD (consisting of 18 academic units), and submit a thesis for examination. Candidates for Doctor of Philosophy (PhD) programmes must also pass an oral examination on the subject of their thesis and related matters. For non-PhD candidates, the oral examination may be prescribed at the discretion of the Board of Examiners.

More information can be found on the admissions webpage:

<http://admissions.ntu.edu.sg/graduate/R-programs>

### Admission Requirements

- A good bachelor's degree or master's degree (research-based).
- For applicants whose native language or medium of university instruction is not in English, a good TOEFL score taken within 2 years from the date of application is required. Applicants can also use IELTS in place of TOEFL.
- A good GMAT or GRE Score for Business / Accountancy programmes.
- A very good GRE test score for Engineering, Economics, Psychology, Sociology, Science, Communication and Information Studies disciplines. Applicants from India may use the Graduate Aptitude Test in Engineering (GATE) (score of at least 90%) in place of GRE.

### How to apply

There are two intakes a year, in January and August. Applications are to be submitted at least six months before the programme commences. Apply online at <http://admissions.ntu.edu.sg/graduate/R-programs>

### Scholarships and Financial Aids

NTU provides Research Scholarships to candidates with outstanding academic results to pursue their higher degree studies by research on a full time basis. The scholarship generally covers tuition fees and includes a monthly stipend. Details can be found at <http://admissions.ntu.edu.sg/graduate/scholarships>

## JOINT GRADUATE PROGRAMMES

NTU has gained international prominence for its graduate programmes, fuelled by the many high-profile courses and institutes co-established with the world's best universities and organisations. Besides NTU's research programmes, the university also offers Joint/ Dual doctoral programmes, in collaboration with our overseas partners such as Imperial College, Technische Universität München and Karolinska Institutet.

You are invited to visit our website for details of the programmes and the application procedures at <http://admissions.ntu.edu.sg/graduate/JointGradProg/Pages/default.aspx>
