**GEM DISCOVERER**

This is a two- to six-week programme that takes advantage of semester breaks. Students will earn academic credits upon successful completion.

**Language Immersion Programme**

Students keen on learning a new language can take part in a two to three-week language programme in overseas institutions endorsed by NTU’s Centre for Modern Languages (CML). You can continue to advance your language skills upon returning to NTU.

**Podium**

This two-week programme provides first-hand insights into emerging markets in ASEAN. Expect visits to significant cultural sites and exciting destinations like Vietnam, Thailand and Turkey.

**Winter/Summer Studies**

Choose from a pre-qualified list of institutions that offer a wider range of courses during winter or summer for credit transfers. You could be studying at some of the world’s most prestigious universities such as the University of California (Berkeley), University of Birmingham and Yonsei University, to name a few.

**GEM EXPLORER**

Like the idea of a longer global experience? This one’s for you. For one semester, pursue studies or conduct research in an overseas partner university. You will get to experience a different learning environment and exchange ideas with overseas students in the research topic of your interest. Besides becoming more independent and self-reliant, you can look forward to:
- transferring academic credits to NTU;
- building up your cross-cultural competency;
- making new friends to build a global network.

**PURSUE YOUR CAREER ASPIRATIONS**

Get a head start on career planning with personalised career-coaching, industry-specific consultations, experiential career skills workshops, as well as company and educational visits at the Career & Attachment Office (CAO).

CAO has excellent connections with over 3,500 global and local organisations, including MNCs, SMEs, Public Service Ministries and Agencies. This enables us to facilitate meaningful internships and quintessential recruitment opportunities to increase your career success. Every year, about 5,000 students are placed both locally and overseas as part of our credit-bearing internship programmes.

CAO offers a broad range of programmes and services to help you get closer to your dream job, including:
- career exploration and coaching;
- industry-specific career consultation;
- an online core career module by MLCPS*;
- career and employability skills workshops;
- NTU PEAK Leadership Programme;
- credit-bearing internships and work-integrated education;
- industry and career experiential education;
- industry mentorship and job shadowing programmes;
- career fairs, recruitment activities and networking events; and

- CareerAxis – CAO online career portal.

* Margaret Lien Centre for Professional Success (MLCPS) module aims to instil lifelong skills in students, so that you can excel in your careers.

**MAKE THE WORLD YOUR CLASSROOM @ NTU**

Seize the chance to acquire cross-cultural experiences at some of the world’s best institutions! The Office of Global Education and Mobility (OGEM) provides opportunities for over 4,000 students to go overseas for study and research. As an NTU student, you can tap our vast network of over 320 partner institutions spanning about 40 countries around the world.

OGEM offers two student mobility programmes – the GEM DISCOVERER for shorter-term overseas immersion, and GEM EXPLORER for a longer global experience.

UNDERGRADUATE RESEARCH EXPERIENCE ON CAMPUS (URECA)
URECA is a university-wide, by-invite-only undergraduate research programme for academically-outstanding second-, third- and fourth-year undergraduates. This 11-month programme prepares undergraduates for postgraduate research studies by providing a foundation and faculty mentorship in research methodologies in their chosen fields.

URECA students will learn to apply knowledge beyond textbooks and the classroom, develop a deeper understanding of research topics they are studying, handle open-ended research challenges and acquire the research skills necessary in their field of study and future career in research in NTU or beyond.

As a URECA student, you will gain research experience through:
• attending workshop training to develop skills and knowledge in research;
• participating in the annual Discover URECA@NTU Poster Exhibition and Poster Competition;
• coordinating or presenting research projects in the annual student led Global, Virtual, Live & Interactive Conference, also known as International Conference of Undergraduate Research (ICUR-URECA);
• presenting papers at local and international organised conferences;
• publishing research papers in archived journals;
• and more.

Upon successful completion, URECA students are awarded academic credits to fulfil unrestricted electives, which is part of the NTU General Education Requirement curriculum. High-achieving URECA students are awarded the URECA Undergraduate Research Excellence Awards with the coveted title of NTU President Research Scholar (NTU PRS).

Applicants with other equivalent international qualifications that are not listed here may also apply. Applicants whose final results are released after April 2020 (e.g. IB applicants whose actual IB Diploma results are released in July 2020) are ineligible to apply for Medicine for Academic Year 2020 intake. MBBS programme has very limited places and entry is highly competitive. We, therefore, do not consider applicants who have previously started, are pursuing, or have completed an undergraduate programme at any university. We do not accept applications for transfer to the MBBS programme.

**APPLICATION PROCESS**

Applicants must have applied to NTU through the same portal before submitting the application for admission. Submission of additional documents as mentioned in the above table applies to scholarship applications.

**APPLICATION FEE**

Application fee is non-refundable and non-transferable under all circumstances. The following payment modes are available:

- Bank draft: S$30 or US$30
- Credit card: S$320

**APPLICATION OUTCOME**

The application outcome will be released progressively between February and July. Please refer to our website for estimated outcome periods. Application outcome will be released to applicants by email and updated online at the ‘Check Status’ link.
FINANCIAL AID

At NTU, we believe in helping students realise their fullest potential. In order to give those with financial difficulties an equal opportunity for a university education, a range of assistance schemes is available to help students with tuition fees and personal expenses.
