### Choices of Programme

- It is not necessary to indicate all 5 choices but you must indicate at least first choice.

- If you are still studying in high school and final graduation results available after 1st April, you will not be eligible to apply for the LKCMedicine programme.

- If you are still studying in high school and final graduation results available after mid-July, you will not be eligible to apply for the Art, Design & Media programme.

#### Choice of Programme

(To provide at least first choice. Do not repeat choices). Click [here](#) to find out more on programmes available and check on the Minimum Subject Requirements.

**Note:**

1. Applicants interested in the LKCMedicine programme are to note that only those who have selected the programme as a first choice will be considered. Applicants must not have started or completed an undergraduate programme at any university. Applicants who have previously applied may not be considered unless they have shown significant improvements in their academic grades or UCAT results. Applicants are required to complete an additional section “Application for LKCMedicine Programme” at the Application Tracking Page via the Check Status link upon successful submission of this online application form.

2. **Application choice auto-inclusion scheme.** Applicants choosing any programme with a second major will also be considered for its corresponding programme with no second major, in a manner succeeding any of the 1st to 5th choices if selected in the application form, and if they have not been earlier selected as one of the five choices. E.g., an applicant indicated 1st choice Biological Sciences with a second major in Food Science and Technology, 2nd choice mechanical engineering, and no other choices will be considered for Biological Sciences with a second major in Food Science and Technology, mechanical engineering, followed by Biological Sciences. If the applicant wishes to be considered Biological Sciences as a second choice over mechanical engineering, he should therefore indicate Biological Sciences as a second choice.

3. Students who are offered Engineering or Engineering with a Minor in Business programme will be streamed into either Civil, Electrical & Electronic, Mechanical, Environmental or Materials Engineering from the second semester of year 1 of study on the basis of their year 1 first semester university results and competition.

4. Applicants interested in the double degree programmes offered under Engineering & Economics are allowed to choose no more than 2 from the programmes available.

5. Applicants choosing a particular programme with a minor in business will also be considered for its corresponding programme with no minor, and vice versa. E.g., by choosing “Bioengineering with a Minor in Business”, one will also be considered for “Bioengineering”. Similarly, by choosing “Bioengineering”, one will also be considered for “Bioengineering with a Minor in Business”. Applicants need not and will not be provided the option to choose both.

6. If you choose Art, Design & Media as one of your choices, please take note of the additional supporting documents that you need to submit.

7. Please note that the Bachelor of Arts/Science and Education degree programmes offered by National Institute of Education (NIE) are teacher training programmes. Successful applicants will be bonded to serve the Singapore Ministry of Education for 4 years.
