# Guide to filling in the Application Form for NUS High School Diploma Qualification

## Important: The form has to be completed in English characters.

## **Type of Application Forms**

This application form is applicable only to students offering **National University of Singapore High School Diploma.** If you are holding other qualifications, please click <u>here</u> to check on the correct application form that matches your high school qualification.

You can only submit **one** application in the admission exercise. Check the header of the application form to ensure you are using the correct form. You application may be void if you apply with a wrong form. If you hold more than one acceptable qualification, decide which qualification you wish to use and indicate when filling in the application that you are holding another qualification.

## After clicking Submit button

You will be able to view your application number on screen. Login with the password you have indicated in the application form to proceed with the application.

You will also receive an acknowledge email with your application number.

## **Complete Application**

The list of items you need to complete will be shown after you have successfully login. You are able to access the page any time again via <u>Check Status</u> link.

You must complete all items that have "**Compulsory**" indicated below the item within the application period unless otherwise indicated. The Action/Status column will reflect the status after you have taken action.

Your application cannot be processed until the application fee and required supporting documents are received within the stipulated deadlines.

### Step-by-step guide

For best user experience, please use Google Chrome or Mozilla Firefox. Other browsers may experience compatibility issues

The online application form consists of 6 sections or 7 Sections if Medicine is your choice of study. Please complete each section and click on the 'Next' button to go to the next section. Items marked with an asterisk (\*) are mandatory.

The form **does not allow** you to save and complete at a later time. Please prepare all required information before you start your application.

Items with 🛈 in the application form have help text. Click on it to read the details.

You should **print** a copy at the 'Preview' page before you submit your application. There is no option available for you to obtain the application form once submitted.

## **Choices of Programme**

- It is not necessary to indicate all 5 choices but you must indicate at least first choice.
- If you are still studying in high school and final graduation results available after 1<sup>st</sup> April, you will not be eligible to apply for the LKCMedicine programme.
- If you are still studying in high school and final graduation results available after mid-July, you will not be eligible to apply for the Art, Design & Media programme

### Choice of Programme

(To provide at least first choice. Do not repeat choices). Click here to find out more on programmes available and check on the Minimum Subject Requirements.

* First Choice: 🛛 🛈	Computer Science	~
Second Choice :	Psychology	~
Third Choice:		~
Fourth Choice:		~
Fifth Choice:		~

#### Note:

1

- Applicants interested in the LKCMedicine programme are to note that only those who have selected the programme as a first choice will be considered. Applicants must not have started or completed an undergraduate programme at any university. Applicants who have previously applied may not be considered unless they have shown significant improvements in their academic grades or UCAT results. Applicants are required to complete an additional section "Application for LKCMedicine Programme" at the Application Tracking Page via the Check Status link upon successful submission of this online application form.
- 2. Application choice auto-inclusion scheme. Applicants choosing any programme with a second major will also be considered for its corresponding programme with no second major, in a manner succeeding any of the 1st to 5th choices if selected in the application form, and if they have not been earlier selected as one of the five choices. E.g. an applicant indicated 1st choice Biological Sciences with a second major in Food Science and Technology, 2nd choice mechanical engineering, and no other choices. If the applicant wishes to be considered Biological Sciences as a second major in Food Science as a second choice over mechanical engineering, he should therefore indicate Biological Sciences as a second choice.
- Students who are offered Engineering or Engineering with a Minor in Business programme will be streamed into either Civil, Electrical & Electronic, Mechanical, Environmental or Materials Engineering from the second semester of year 1 of study on the basis of their year 1 first semester university results and competition.
- Applicants interested in the double degree programmes offered under Engineering & Economics are allowed to choose no more than 2 from the programmes available.
- 5. Applicants choosing a particular programme with a minor in business will also be considered for its corresponding programme with no minor, and vice versa. E.g. by choosing 'Bioengineering with a Minor in Business', one will also be considered for 'Bioengineering'. Similarly, by choosing 'Bioengineering', one will also be considered for 'Bioengineering', one will also be considered for 'Bioengineering'. Applicants need not and will not be provided the option to choose both.
- 6. If you choose Art, Design & Media as one of your choices, please take note of the additional supporting documents that you need to submit.
- Please note that the Bachelor of Arts/Science and Education degree programmes offered by National Institute of Education (NIE) are teacher training
  programmes. Successful applicants will be bonded to serve the Singapore Ministry of Education for 4 years.

## Achievements

1

### • This section is **optional**.

- Students with exceptional talents other than academic grades may complete this section. At least 1 (up to 2) appraisal must be submitted online to support your application. You will need to forward to your appraiser your application number and ID number to submit the online appraisal at this URL: <u>http://www3.ntu.edu.sg/oad2/website\_files/DA.pdf</u>.
- Only shortlisted candidates will be invited to attend an interview in Singapore in April (for Medicine) and from May (other programmes) of the application year.

### Achievements

### Aptitude-based Admissions (ABA) - Optional

Please read more at http://www3.ntu.edu.sg/oad2/website\_files/DA.pdf

Aptitude-based Admissions (ABA) take into account students' passions, interests and strengths. Applicants with exceptional talents and/or outstanding achievements beyond schools' co-curricular activities can be considered, subject to a minimum level of academic competence, for admissions under ABA. Academic grades of relevant subjects may be an indication of aptitude as well. Please let us know if you have any other talents or achievements besides your academic results that you would like us to consider in your application for this admission exercise.

If you wish to be considered for admission under this option, please complete the item after you have successfully submitted the application form.

# **Other Information**

	This mandatory item will appear only for Singapore Permanent Resident.
Other :	Information
Tuition	Grant
* Indica	ate your choice below

O I do not wish to apply for a Tuition Grant. I understand that I will pay <u>Non-Subsidised Tuition Fee</u> throughout my entire course of study, and will not be eligible to apply for the Tuition Grant, Scholarships or other forms of financial aid throughout my entire course of study, if I am offered a place.

I wish to apply for a <u>Tuition Grant</u>. I am prepared to sign a Tuition Grant Agreement with the Government of Singapore, which would require that I secure employment and serve in a Singapore entity for three years upon graduation. I am aware that the Agreement requires two sureties, who must be above 21 and below 65 years of age, and who must not be undischarged bankrupts. I also declare that I have not received a Tuition Grant or other sponsorship/subsidy from the Government of Singapore previously for a course of study at the same or a higher level as my new course. If I have, I am aware that this will be taken into consideration when assessing my Tuition Grant eligibility for my new course.
