<b>NSF Exemption</b>	<b>Aptitude-Based Admissions (ABA)</b>	<b>Adult Learners Scheme (ALS)</b>

### + Criminal Records Declaration

- Log on to [Check Status](#) to perform your declaration latest by 15 January.

### + Mother Tongue (MT)

- Applicable to Singapore Citizen/PR and students from MOE Schools.
- Provide in your application your MT subject & grade and submit your certificate, i.e. where applicable, O Level Higher MT or A Level 'B' syllabus/H1/H2 MT. (e.g. 'Chinese B', 'Higher Tamil', or 'H1 Malay')
- Submit your MOE exemption letter if you were exempted from taking MT.
- Submit your MOE approval letter if you were approved to study a language in place of MT.
- Applicants without MT if admitted (on a provisional basis) will be required to attain MT before graduating from the University.

### + Application Choice Auto-Inclusion Scheme (Implied Choice)

- Applicants choosing a programme with a second major will also be considered for its corresponding parent programme with no second major.
- e.g. an applicant indicating 1st choice 'maritime studies with a second major in business', 2nd choice 'bioengineering' and no other choices, will automatically be considered for 'maritime studies' as 3rd choice (implied choice). If, however, the applicant prefers 'maritime studies' first and 'bioengineering' last, he/she should explicitly select 'maritime studies' as 2nd choice and 'bioengineering' as 3rd choice.
- Applicants are therefore strongly advised to indicate their choices in the order of their preference.

### + Admissions Assessment

- See [prerequisite](#) for programme-specific admissions requirements/assessment such as interview, test, or portfolio.
- Higher assessment is expected for double degrees, double majors, and programmes with second majors.
- Competition is expected to be keener for popular programmes with smaller intake. As a guide, see [Indicative Student Intake](#).

### + Supporting Documents

- Submit supporting documents for additional information you have provided/declared in your application.
- For identification, submit [NRIC \(front & back\)](#) for Singapore Citizen/PR, [NS IC \(front & back\)](#) and [passport](#) for NSF, or [passport](#) for international/foreign applicant.
- For grades, submit Transcript of Academic Record (all results pages) & Diploma certificate.
- Submit School Leaving Certificate, Testimonial, Transcript of Student Development Record, & Transcript of Research Record.
- Where applicable, submit medical record/report for your medical condition/special need.
- Where applicable, submit IO certificate if you are an IO medallist.
- For each upload item, submit a clear JPG/PDF copy of < 5MB upright & in original colour. Do not zip/compress. Select correct file to upload as each file can be uploaded only once. Click 'Confirm' after all items are uploaded.

### + NSF Exemption

- Declare in your application and submit your NSF exemption letter if you are exempted from Full-time National Service. (Male Singapore Citizen/PR only)

### + Aptitude-Based Admissions (ABA)

- Applicants with exceptional talents and/or outstanding achievements may submit an application for ABA with a 500-word essay and 1 appraisal via [Check Status](#).
