<p><b>Tan Sri Dr Runme Shaw Scholarship</b></p>	<p>The story of the Shaw Brothers is a success story of fairy tale proportions. The main ingredients in the successes of Runme and his brother, Run Run have been sheer business acumen and hard work.' - Singapore Trade, May 22, 1969 Tan Sri Dr Runme Shaw, was Chairman and Founder of the Shaw Organisation (Singapore).</p> <p>He passed away on 2nd March 1985 at the age of 88 .He is survived by his wife Peggy (23 June 1916-, Jianguo) and sons Vee King and Vee Foong and daughters Doris, Vivian, Nora and Sylvia. Born in 1901 in the district of Zhenhai, Zhejiang, China, Tan Sri Dr Shaw was the third child in a family of seven children. As he once said of his family's economic status: 'We were not rich, but we were well to do'. He was named 'Runme' by his father as it meant 'kindness'. This was a trait which he lived up to in a lifetime of social service and philanthropic acts. As a boy, Tan Sri Dr Shaw went to a traditional school in Shanghai where he studied Confucian classics and classical Chinese literature. Soon after completing his secondary school, Tan Sri Dr Shaw started as a sales manager in his father's textile import and export company in Shanghai.</p> <p>But his real interest lay in films. He joined his elder brother, Runme, who was then producing silent films as distribution manager. In 1924, Tan Sri Dr Shaw arrived by steamer to Singapore to establish a film and theatre business. Overcoming incredible odds and through sheer hard work, Tan Sri Dr Shaw and his brother, Sir Run Run Shaw, began to build their film business one brick at a time. By the post war years, their business had spread throughout Southeast Asia, Europe and North America, operating a chain of more than 160 cinemas as well as various commercial and residential property developments. In addition, the Shaw brothers also operated amusement parks and film production studios in Singapore, Malaysia and Hong Kong.</p> <p>Over the years, Tan Sri Dr Runme Shaw chaired and served on numerous corporate boards outside of his own Shaw Organisation Group of Companies. He served on the Board of Singapore Turf Club, Fraser and Neave Ltd, Bank of Singapore, Shangri-la Hotel Ltd, Overseas Chinese Banking Corporation, Bukit Timah Saddle Club, Alliance Francaise, National St John's Council, National Kidney Foundation, Singapore Tourist Promotion Board, National Safety First Council, Singapore Association of Mental Health, Singapore National Heart Association, Singapore National Olympic Council, Society for Aid to the Paralyzed, Metropolitan YMCA, Young Men's Christian Association of Singapore and the Chinese Swimming Club. For his long service as Chairman of the Tourist Promotion Board, he was awarded the Meritorious Service Medal by the President of the Republic of Singapore.</p> <p>Besides his business interests, Tan Sri Dr Runme was also a famous philanthropist. In 1957, he instituted the Shaw Foundation, which is a fund for charitable purposes in Singapore. Since its inception, the foundation has donated over US\$150 million to various associations, schools and institutions. As Chairman of the Turf Club for 19 years, he turned the 'sport of kings' into a major source of funds for cardiac, cancer, liver and pediatric medical research, homes and orphanages, hospitals and associations for the disabled. <b>Tan Sri Dr Tan Chin Tuan Scholarship</b>	<p>Tan Sri (Dr) Tan Chin Tuan, well-known for building the OCBC Group into a financial powerhouse in the 1950s to 1980s, was once described by the National Geographic magazine as the "emperor of finance". The spectacular growth of the companies under his stewardship attests to this accolade. From when he became director to the year he retired from each company, shareholders' funds appreciated considerably in value. Prior to Singapore's independence, Tan Sri was appointed Deputy President of the Legislative Council, the highest position held by a British subject of Chinese descent. He often took the colonial rulers to task for their arbitrary treatment of the Asians in Singapore, declaring that "in a democratic state, there can only be one law for those who govern and those who are governed." In 1976, the Tan Chin Tan Foundation (TCTF) in Singapore was set up. Among his many philosophies in life, Tan Sri believed very much in leading a happy and purposeful life, and in sharing this happiness with the less fortunate. This became a basis from which the foundation conducts its activities, seeing to it that donations are wisely allocated to the deserving, and that there is a social outcome and multiplier effect to the funds given. The foundation continues to develop its niche in education and community services in Singapore and overseas. Tan Sri remained active in giving back to the community until his passing away at the age of 98 in 2005.</p>	Singapore Citizens / Singapore PRs	All Programmes Last 2 Years of Undergraduate Programme at NTU	<ul style="list-style-type: none"> <li>• Financial need preferred</li> <li>• Good character and conduct</li> <li>• Consistent and strong academic performance</li> </ul>	✓		Not Allowed
