SOUTH ASIA: NEWS AND OPINION

[International Media](#) | [Government Speak](#) | [Think Tanks](#)

INTERNATIONAL MEDIA

[ARCHIVE](#)

Globally, more than 33 percent of the world's population live in countries with limited or no press freedom, according to [Reporters Without Borders](#). With this in mind, please consider that some media outlets that appear on these pages are controlled, heavily restricted, or influenced by the state, political, or other narrow interests. Therefore, when assessing reports in these pages, it is important to consider the degree to which the media outlet is genuinely independent. [Freedom House](#) also offers useful media freedom [reports](#) as well as an interactive global map for [press freedom](#).
