

Background Information

All CNYSP scholars (Intake 15/16 onwards) follow the new curriculum under the CN Yang Scholars Programme.

For Engineering majors, scholars are required to do a **6-month** Overseas Final Year Project (8 AU) under their respective schools' course code.

The code for OFYP:

CZ4211.

Assessment requirements:

Same as normal FYP.

- Submission of Interim Report
- Submission of Final Report
- Submission of Amended Final Report
- Oral Presentation

Deadlines:

The deadline of oral will be either the end of the student's graduation semester or beginning of next semester of OFYP, which is earlier.

Rest deadlines can be decided by the supervisor with the constraint of Oral's deadline.

Mark entry:

If the OFYP's oral is later than one week after the main batch's oral, please send the marks to Soh Irene asisoh@ntu.edu.sg via email directly.
